The Broward County Aviation Department (BCAD) began a study to improve the compatibility of Fort Lauderdale Hollywood International Airport (FLL) with the surrounding communities. This study, a "Part 150 Study," will follow the process outlined in Title 14 of the Code of Federal Regulations (CFR) Part 150, *Airport Noise Compatibility Planning*. At key points during the project, newsletters will provide updates on study progress. BCAD encourages all interested parties to monitor the project website for the latest study information and announcements at www.fllpart150.com. Thank you for your interest and participation.
